CAN IT BE ESCAPED?

The Issue Before the South.

The whites and blacks in the Southern States are nearly equal as to number, and the statistics of the country may be taken as evidence of the fact.

No other people, or section of country on earth, is confronted by such an issue, and given people, irrespective of party or race, must have serious misgivings as to how it will be settled, or what harassments and troubles may attend the stage and process of settlement.

No other country on earth, with a population of half whites and half blacks, ever solved the problem. In all other sections or countries the color of the people, but the majority in the South, particularly the extreme Southern States, are overwhelmingly majority, and are not held by either race.

The good people of the Northern States, who have in their aggregate population over 50 white people to one negro, are not confronted with any race issue, and therefore may not properly understand the attitude and sympathies of the Southern people.

MEAN BUSINESS.

The P. H. & S. R. Co. Decide to Put Their Project Before the People.

At the meeting of the directors of the Paducah, Hickman & South Branch Railroad Company, held this city Saturday evening, it was decided to put the project of building this road before the people without any delay.

No man may profit, law or equity, who will not do it. It may win at all party alignments, and become the only question in the South. Certain it is that the interests of any people here ought to be in the same country.

It is more than probable that a bill will be introduced in the next Congress changing the mode of electing the President of the United States, from the electoral college system to a popular vote.

It is this to the contrary notwithstanding, Democrats should arrange to go any time after the fall of March.

CONDITIONS AFFECTING LIFE INSURANCE.

Newspaper articles on life insurance are usually like political ones.

### LOCAL NEWS.

**WATERS.**  
The river is falling.  
—Eggs are scarce.  
—Read the Council proceedings.  
—The Knights of Honor meet tonight.  
—Spore hogs and back ribs are now in order.  
—The election for Mayor and Councilmen will soon be on.  
—We learn that duck are very scarce on Reelfoot Lake this season.  
—Apples were never known to be so plentiful and cheap at this time of the year.  
—Looks are not everything; the honestest women always make the best pickles and preserves.  
—The City of Nashville is now running between Cairo and Tippecanoe, making it really a trip.  
—Let's reason together about the propriety of helping to build the Paducah & Hickman railroad.  
—Our city fathers have determined to build a plank walk to the depot. A much needed improvement.  
—Mr. H. BUCHANAN has the most elegant line of Gents' Clothing, the best fitting, best made and the cheapest in Hickman. Call and see them.  
—Every physician is required to register his diploma in the County Clerk's office under a heavy penalty.  
—The Lola Dolmo Dramatic Company played in City Hall, Monday and Tuesday nights, to small houses.  
—Dr. Jas. M. Hubbard has purchased the residence in East Hickman now occupied by Mr. Jack Newman.  
—Mr. J. W. Strangham, jeweler, has recently located in Hickman, and is now ready to repair jewelry, watches, clocks, &c. All he asks is a fair trial, as his work will speak for itself.  
—The Clinton street in the Berenades building, two doors west of Hickman Bank.  
—Now that the election excitement is about over, let business come to the front and all forms of profitable activity.  
—Things even up pretty well, after all. Men throw banana skins on the sidewalk, and then the banana skins throw men on the sidewalk.  
—The LADIES are the display of **NEW DRESS GOODS** and **TRIMMINGS**. They say they are just too elegant, and so cheap, and all such beautiful shades. Don't fail to see them before they are gone.  
—Miss Lola Davis, of Vicksburg, Miss., having spent several months with her grandmother, Mrs. H. H. Powell, of this county, returned home Saturday last.  
—The ladies elite society of the Baptist church met quite a large number of their ex-ante supper last Thursday night, though we have been unable to learn the exact amount.  
—The body of young Dr. Snyder, one of the Nashville hunting party, drowned in the Mississippi, near Island 10, last week, has not been recovered. A reward of \$250 is offered for its recovery.  
—The postmaster here has been notified that the new postal card will be issued to all the offices by the first of the year. The new card is being issued and secures privacy for all messages written upon it, though no larger than the present style.  
—Hickman enjoyed an elegant sensation Sunday last, when Troy Kueser and Miss Mattie Thomas, made a flying trip to Troy, Tenn., where they were united in the holy bonds of matrimony. The best wishes of many friends attended them. May they live long and prosper.

The new college.  
The harbor improvements.  
The Hickman & Tiptonville Railroad.  
The Paducah, Hickman & Southern Railroad, and the Cotton Belt.  
The Illinois Central from Cairo to Memphis, via Hickman.  
Here is ground work for a grand business house. Shall we have it? The first two are already certain, the next two are only dependent upon our efforts, and the last named, is a probability.

**Babies** that are fretful, poorly, or troubled with Worms, Coughs, or Colic, can be relieved at once by using **Adams' Baby Rubbers**. It contains no Opium or Morphine, and is safe. Price 25 cents. Sold by **J. W. COWGILL, Druggist.**

### TARIFF OFF AT EAST.

**H. M. MAXWELL** desires the COUNTRY to state to the Democratic and Republican of the surrounding country, that he has taken the tariff by the horns, and is selling goods at ridiculously low prices.  
—The Paducah & Hickman Railroad company have decided to submit a petition to the tax payers of Hickman for all, some time next January. Not a cent to be paid until the road is completed. Also, a trans-Mississippi railroad connection assured. Here will be the golden opportunity for Hickman. Eastern capitalists are pledged to furnish the necessary money provided certain amount of local aid is secured by the town and country along the proposed line. The older citizens of Hickman have labored hard and taxed themselves much for the future, and now shall we tax the future generation somewhat to secure advantages which will accrue to us as well as to them? Let every citizen begin to think of the proposition. Success comes only to men who help themselves.
